

A dark, monochromatic photograph of a hospitality tray. The tray is rectangular and holds a silver pitcher, a white cup on a saucer, a small spoon, and a rectangular box containing several small, round pastries or cookies. In the background, a coffee machine is visible, and a vase with flowers sits on the right. The overall lighting is soft, creating a professional and elegant atmosphere.

HOSPITALITY TRAYS

Coffee, please.

The possibility of making coffee (or tea) in the hotel room is one of the key components of any hotel experience. It's often the first thing guests do when they arrive at their hotel room, and also a critical part of the morning routine for many people.

B-TRAY offers the complete in-room coffee and tea experience with a wide range of unique Dutch designed hospitality trays.

Our models vary from budget-friendly to luxury versions. Choose from our standard product range or contact us if you need a custom-made hospitality tray.

Mix & Match

At B-TRAY, you can create your own hospitality tray. Choose from ten unique models in different price ranges, four types of stainless steel kettles, a Nespresso® compatible coffee machine, and optional hotel porcelain cups.

Just mix and match your favourite coffee and tea tray that fits in with your room decor and budget.

We offer more than 300 different combinations!

Configurator

With the B-TRAY configurator on our website, you can easily design your favourite hospitality tray and view it directly online.

Just choose the tray and water kettle you like, and decide if you want to include coffee cups.

When you are happy with the design, you can send us a quotation request for the selected items.
